BEFORE SENDING YOU TO THE MAIN REPORT, THERE ARE A FEW CONCERNS WE NEED TO ADDRESS FIRST ...

The most important thing anyone has is TIME! Since, You only have 30 days to decide to JOIN OUR FAMILY, I don't want to waste your time or mine, I need to CLEAR

UP A FEW FACTS BEFORE YOU DECIDE TO CONTINUE! (or continue searching for that next side-hustle)

1. Everything you have read and learned so far in STAGE 1 is 100% TRUE. My own company THE ECONOMY CONNECTION (TEC) will GUARANTEE that if you JOIN US and decide to use our Marketing System (this report) our Special Bonuses (\$3000 value) will be AWARDED TO YOU if you **QUALIFY! It all depends on what you are willing to do, to reach that **GOAL! And it all starts with You reviewing STAGE 1 all over again! (before starting STAGE 2) **Although, it is NOT mandatory, it is **HIGHLY RECOMMENDED!** (to review the 1UP system before continuing)****

WHATEVER YOU DECIDE ... WELCOME TO OUR ...

TOP SECRET
CASH REPORT

People Don't EARN What They WANT, They EARN What They SETTLE FOR

Get A Years Worth of Your Current Income In A Single Month !

I would like to **SHARE** with you the PLAN to go from zero to over \$100K within 6 to 12 months just by "**SHARING**" this Report with others.

Fail 95% of the time and still never have to work a JOB ever again. (THAT'S HOW POWERFUL THIS PLAN IS) This is the simplest and fastest way it can be done.

PEOPLE CAN LIE ... BUT FIGURES DON'T!

Take it out over a year if it makes you feel more comfortable. It's not like there is anywhere else that you're going to achieve that income in that time span. If you can't hit that, you're just not TRYING. If you're not willing to do THE BASICS THAT ARE OUTLINED IN THIS REPORT. (give away your spot)

Honestly, **By offering the "FREE" \$100 Gift Card**, you should be able to "**SHARE**" this REPORT with others on Social Media alone, without them even knowing the products and end up with your "**40**" **BASIC SIGN UPS!** (I already have over 100 Members by just using Social Media)

Some of you can literally make more in your first 90 DAYS doing this than you'll make in a full year at a J.O.B. **That's my opinion, not a guarantee**... since "guarantees" can't be made in business)

For those of you who think, "**Awwwww, bullsh**!**"; you are too glass-is-half-empty to participate. This is only for people who **understand simple 2nd-Grade math**, who actually want a better lifestyle, not for "**Negative Nellies**" who are more interested in excuses and blame than they are in getting the show on the road.

Becoming A Self Made Millionaire By Working From Home

Everyone dreams of being a millionaire, or a multi-millionaire. (since a million dollars does not go as far as it used to today) **Let's face it, in these tough and economic times, most of us would settle for having just enough money to meet our monthly bills. Then, if we really stretch, we wish we had enough extra cash on hand to buy that new car.** (we have had our eye on for the last couple of months) **Extra cash for a vacation would be nice. I mean a real vacation!** (not just a week away from work spent catching up on chores around the house) **No, the kind of vacation we are talking about demands LOTSA Money. When is the last time you had a REAL VACATION?**

Where will you find the money for that college education for your daughter or your son? When you get that paycheck at the end of the week and look at the pay stub, do you sigh in exasperation and wonder how you will ever be able to afford the Life Style your family wants, needs and deserves?

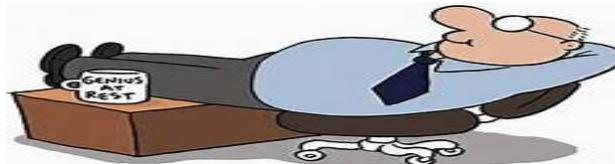

WHAT THIS IS NOT!

It is not a get-rich-quick, a pyramid or Ponzi scheme. Quite the contrary, it is simply comprised of people who are tired of the status-quo, people who want to make radical changes in their financial situations and who want to help others do the same thing. (without having to push, store or sell physical products) **Is that YOU?**

Once you have this program you will never have to worry about the economy or losing your job again. It won't matter. Anytime you need money just put the program to work and within a matter of days you will receive **MONEY IN YOUR MAILBOX OR BANK ACCOUNT!** Everything has been set up for you... All you do is **“SHARE”** this Report until you have at least (40)! In 6 to 12 months your family could become Financially Secure!

It's that simple. No talking to friends or relatives. (if you don't want to) **However, I don't recommend that!** **From personal experience I have found that it is way better** (for your own piece of mind) **to tell all your friends or relatives about this Report ... and let them tell you NO!** That way when you are driving around in your brand new car or you are receiving the keys to your new home and they give you that **“LOOK”** you can say **“REMEMBER THAT REPORT!”** And not feel **GUILTY** because they didn't see the opportunity **when it was presented to them!**

No MLM programs to join. And you won't have to wait months to start seeing the commissions either. You can start receiving money to your door within 7 to 14 days. **Need more money? Just repeat the process.** Repeat it as many times as you need to. **You and only you determine how much money you make.** This is the one you've been waiting for, the real deal folks! If you accept my invitation, chances are this time next month you will be salivating over your monthly bank statement. **NOTE:** After you've been doing this for a few months it would be wise to seek a competent tax accountant and lawyer. **YOU ARE GOING TO NEED IT!**

YES ... THAT'S RIGHT! I WANT YOU TO BE LAZY!

In fact, I would like to see YOU become ...

the laziest SOB on the Internet (next to me of course)

I know you've heard all that stuff about keeping your nose to the grindstone and how you have to work 25 hours a day, 8 days a week to be successful, but I'm here to tell you--- it just ain't true!

Y'see the idea is that you don't have to work HARD; You need to work **S-M-A-R-T!** You've probably heard that old expression, Necessity is the mother of invention. Well, I've always felt that ...

***If necessity is the MOTHER of invention,
then laziness must be the FATHER!***

However ... You gotta EARN the right to be LAZY!

There's nothing wrong with that *lazy man's lifestyle,* so long as it leads to ACTION! Like I said above, you don't have to work HARD, but, you do have to WORK! And this is exactly where this **REPORT** enters the picture, --- because with this Report you are not just working **SMART**, you're working **BRILLIANTLY!**

So, go ahead and BE LAZY, while this REPORT does 97% of the HARD WORK by...

+++ REDUCING your time online . . .

+++ SLASHING your advertising expenses . . .

+++ GENERATING targeted prospects for you . . .

+++ EARNING you Multiple Streams Of Income . . .

**BY THE TIME YOU FINISH THIS REPORT . . .
YOU WILL NEED TO DECIDE WHICH PLAN
IS RIGHT FOR YOU!**

IN 6 TO 12 MONTHS!
(if you want it bad enough)

For getting this far. You are not only a **"FREE" Inactive Member of The Cash Secret, but you have gained access to the only marketing system you will ever need!**

As a **"FREE" Inactive Member, you now have access to your very own WEBSITE. Take the time needed to review the content and FAQ and to watch all the videos and explore the Back Office. Only then will you know for sure if you want to BUILD YOUR TEAM ON YOUR OWN or Use Our Report and our Bonuses and Special Pricing to do it!**

LET'S TAKE A QUICK LOOK AT YOUR BACK OFFICE

Bring up your link and then Click the link entitled My Account then Click Profile. Take your time and go thru each of these sections carefully and make sure you fill them out completely (this will determine if when and how you get paid)

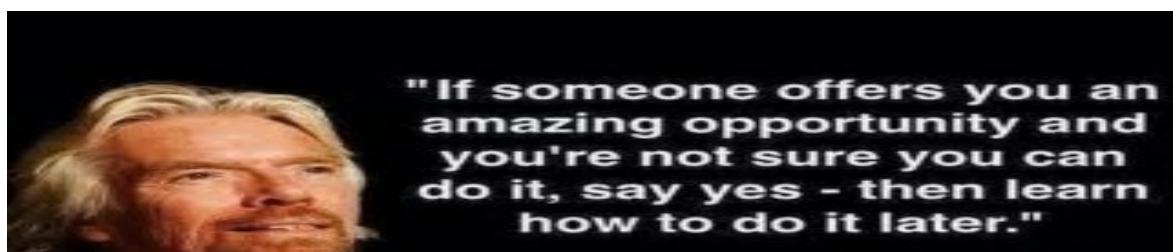

Next, Click Back Office (which takes you back to your home page) **From there Click Membership. Here you will notice all the different levels available to you and their current status** (yours should all be locked at this time)

Finally I want you to click each level separately. Here you will discover the status of your Sponsor. If Admin instructs you to pay one person only (your sponsor) that means your sponsor is eligible to receive up to 100% of the commission at that Level. However, if it shows more than one person with the commission split that means your Sponsor isn't QUALIFIED at that Level and they will receive 100% of the commission they are entitled to receive and the balance will be PASSED UP.

In STAGE 2 we will answer all of the **"NEWBIES" questions and explain all the Bonuses in detail that we are offering all ACTION TAKERS!**

When you finish STAGE 2, you will need to decide if you want to use our marketing system to **"SHARE" these (4) programs or do everything all on your own. Which ever you decide, to become a PAID Active Member and open your website (so you can **"SHARE"** it with others) you will need to pay the Admin Fee of \$150 (one-time)**

Or you can decide this is NOT for you and REQUEST your FREE \$100 GIFT CARD instead.

Starting An Online Business From Scratch

HIGH TICKET OR LOW TICKET BUSINESS OPPORTUNITY !!!

Are you struggling to decide between a high ticket business or a low ticket business opportunity?

If you have been on the internet looking for a home business to get involved in for more than 5 minutes than you have come across many different types of offers.

1 UPS AND 2 UPS

PASS UPS

SPILL OVERS

UPGRADES

While some internet money business opportunities will cost you less than \$1 to get involved in, others will cost you up front TEN OF THOUSANDS of dollars to even get started. So, that creates the question, "Which is better – a high ticket internet business or a low ticket internet business opportunity"?

Like anything else in life there are advantages and disadvantages to both. I have found the following to be true:

High ticket = less buyers/joiners, but higher commissions paid (YOU GET PAID \$1,000 +, BUT ONLY ONCE; BUT YOU ALSO HAVE UP SALES AND PASS UPS) **PROBLEM - STARTING COST IS TO HIGH FOR MOST PEOPLE.**

Low ticket = more buyers/joiners, but lower commissions. You have to build a much larger team to make QUIT YOUR JOB MONEY. (YOU GET PAID ONCE OR EVERY MONTH; BUT YOU GET PAID VERY LITTLE) **ADVANTAGE - STARTING COST IS LOW BUT ... you have to have more members and more sales to reach the same financial goals ... as the HIGH TICKET ITEM ...**

Here's a quote that I heard a long time ago that sticks with me to this day and maybe it will stick with you also!

"Begin as you mean to continue!"

That means that if you really want to earn high ticket commissions then that is where you should start **NO MATTER THE INVESTMENT REQUIRED** . . .

The Ultimate Money Machine is based on building wealth using the one commodity everybody in the world understands and loves,(MONEY) having it arrive direct to your front door or bank account, multiple times a day!

The Ultimate Money Machine builds on more than 20 years of success worldwide in the Mail Order Industry and comes to you at a time of tremendous uncertainty in economics around the world.

The Ultimate Money Machine understands the last thing you need is a complicated opportunity that forces you to bug family and friends, make them purchase a bunch of products they don't want or need or takes you 24 hours a day of recruiting to become successful!

The Ultimate Money Machine is fun, fast, affordable as well as simple.

Look At How Simple It Is! You succeed from the first day by doing nothing more than using exactly what we have used to bring cash to our door for more than 20 years, often daily. You do not have to learn online marketing or go to meetings in hotels or bug family and friends. We admit we have a very simple mind and like to keep our life simple. But we also understand a successful program needs customers and we have a simple **DONE-FOR-YOU MARKETING SYSTEM** you can use. (this pdf report)

No Guesswork!
to get cash to your door or bank account **FAST!**

What are you dreaming about for your retirement?

More than 2 years of success from home went into the foundation of this version. I tried all the mlm's, matrixes, direct mail, online, \$2 programs, no-work programs and, just about everything that was basically **FREE!** I finally figured out a simple solution with a simple, non-technical marketing system would work best. I also learned most people can't write good copy, are not sales experts and do not want to sell in the traditional sense. But everyone wants to be invited to succeed! (and actually have it happen) I already paid for the mistakes (thru my own trial and error) **so, you don't have to.** Just use our system and marketing kit (PDF Report) and just ... **DO THE 3 "SIMPLE STEPS" and get 40!**

IF YOU CAN'T EVEN DO THAT ... PLEASE LEAVE! (so we can find someone who will)

The Ultimate Money Machine is also for those of us who have gotten **BURNED** in various “programs” schemes and scams that were designed to extract as much of our hard-earned money as possible ... with no regard to the hardships it would afflict in each of our daily lives and those of our loved ones.

**PAY CLOSE ATTENTION
WE HAVE FIGURED IT OUT
YOUR LIFE IS ABOUT TO CHANGE
WITH THIS GREAT OPPORTUNITY!**

The Ultimate Money Machine does NOT have the ability to hurt anyone financially. (and never will) The (one-time) investment is minimal and the upside potential is absolutely MASSIVE ... IF YOU JUST DO “THE 3 STEPS” and get 40!

Can we make you a **MILLIONAIRE** Overnight? **NO!** And if anyone **PROMISES** you That **“RUN LIKE HELL”!** But, I can show you how to become a **THOUSANDAIRE!** and if you can **TEACH** enough people **How To Become THOUSANDAIRE’S** It could make you a **MILLIONAIRE!**

Otherwise.....

YOU COULD CONTINUE TO PURCHASE THOSE LOTTERY TICKETS ... Who Knows The Odds May Be In Your Favor. (one hundred twenty two MILLION to one) and yet, if you were to ask any of those people why, with such long odds, they would continue to throw their money away on a lottery ticket, they would be almost certain to reply those **MAGIC WORDS, “Well, SOMEBODY’s gotta win!”** According to the latest statistics, **you would have a better chance of becoming an Astronaut!**

The BOTTOM LINE, folks is that this whole scenario is just typical of that **“lottery mentality”** that folks in this economy have who pretend to call themselves true “internet marketers.” So, if that describes you, then keep **“Playing the Lottery”** and hope for the best. (A few prayers couldn’t hurt either)

However, if you want to learn **How To Become A Millionaire** by **“SHARING”** this Report that teaches others to become **Thousandaires** ... **KEEP READING!**

**Who wants to be a
THOUSANDAIRE?**

WHAT'S EASIER THAN "SHARING" A "FREE" REPORT WITH SOMEONE?

They say "you can lead a horse to water, but you can't make it drink." This Report was designed to make you "THIRSTY" but even then it's still up to you to take that ... **FINAL STEP AND TAKE ACTION!** (your choice)

IMAGINE A WORLD where
We Help You, You Help Them
and Together We Provide
FUNDS FOR EVERYONE

Discover How "ANYONE" Can Make "HUGE INCOMES" Without Investing Tens Of Thousands Of Dollars Or Wasting Years Of Their Life By Taking A SHORT-CUT And "SHARING" This REPORT With Others!

THINK ABOUT THIS ...

When you subtract out the sleeping time, commuting time, working time, and time for things you have to do each and every day of your life, most people don't have more than one or two hours left to do what they like to do. And if they had the time, they don't have the "MONEY TO DO IT"!

I have designed a way for you to "Take Back Your Life" with a system that is so simple anyone can do it. It doesn't require selling, and the best part is it won't take much of your time either. **AND IT'S AFFORDABLE TO ANYONE!**

This System works for all ages and especially NEWBIE'S! All you have to do is "**SHARE**" **THIS PDF REPORT WITH EVERYONE YOU KNOW** that wants TO "MAKE MORE MONEY" and then let them decide if it's RIGHT for them or not! (no pressure)

This REPORT does all the SELLING, TELLING, SIFTING AND EXPLAINING, SO YOU DON'T HAVE TOO! Not only will it EXPLAIN IN DETAIL WHY 95% FAIL TO MAKE ANY MONEY, BUT HOW YOU CAN BE PART OF THE 1-5% WHO DO! And why you need to "TAKE ACTION"!

More than ever before in our country's history, people need more money. 70% of every household in the U.S. spends more money than what they bring in! Even though the need for additional income has never been greater, the failure rate has not changed. Most people, even though the Desire and the Need are there ... **MOST PEOPLE STILL FAIL!**

The biggest mistake most people make is they try to duplicate what other people are doing (gurus) and that creates a problem; because people are NOT duplicateable, but systems are! So if you really want to be successful, you need to **SHARE** a system that will work for ANYONE ... no matter what their background or experience is! (or lack of)

The system that we're going to lay out for you today is based on teaching, not selling and since we use tools (THIS PDF REPORT) to do all of the teaching for you and anyone can use the tools... **ANYONE CAN DO THIS!**

HOW MANY SHORT-CUTS DO YOU USE DAILY IN YOUR LIFE?

LETS SEE ... (you might be amazed)

The food you are eating ... DID YOU GROW IT OR BUY IT?

The clothes you are wearing ... DID YOU MAKE THEM OR BUY THEM?

The last time you got sick ... DID YOU DIAGNOSE YOURSELF?

PROBABLY NOT, YOU PAID SOMEBODY ELSE ... SO, YOU TOOK A SHORT-CUT!

SO WHY IS IT ANY DIFFERENT WHEN IT COMES TO MAKING MONEY? SHORT CUTS ARE ESSENTIAL IN EVERY ASPECT OF OUR LIVES! **EVERYONE TAKES SHORT CUTS ... AND I'LL PROVE IT!**

Why was Bill Gates so successful with Microsoft ... HE CREATED A SHORT-CUT ... **The average Joe couldn't use a computer!**

Why was Steve Jobs so successful with Apple ... HE CREATED A SHORT-CUT ... **We can now use our phones just like a computer!**

Why was Jeff Bezos so successful with Amazon ... HE CREATED A SHORT-CUT ... **We can now shop for anything from the comfort of our homes and have it delivered for FREE!**

Imagine being in the position to be part of anyone of those success stories ... **WITHOUT HAVING TO INVEST MILLIONS OF DOLLARS AND HOURS OF YOUR TIME TO BUILD!**

OUR SIMPLE MARKETING SYSTEM ELIMINATES 97% OF THE HARD WORK NEEDED TO REACH YOUR DREAMS! YOU CAN BUILD MULTIPLE WEALTH LINES EVERY TIME YOU "SHARE" THIS REPORT WITH OTHERS!

It is not often that we are exposed to that type of opportunity ...BUT TODAY you are in the right place at the right time to TAKE A SHORT-CUT TO YOUR FINANCIAL FREEDOM ... WITHOUT HAVING TO DO ALL OF THE LEG WORK that Bill Gates, Steve Jobs and Jeff Bezo's had to do to become SUCCESSFUL!

You are in a position today to **CREATE YOUR VERY OWN SUCCESS STORY** which can provide you with UNLIMITED FINANCIAL POTENTIAL FOR THE REST OF YOUR LIVES!

You are in the position to **TAKE A SHORT-CUT ... TO DAILY INCOME THAT GROWS AND GROWS WITH OUR CASH SECRET.** (Even if you decide to STOP, it continues to GROW!)

This is where we will separate the Wannabe Entrepreneur from the Wantapreneur. This is why I throw out the information and let the real Entrepreneurs recognize it and follow through. It's just that simple! **ARE YOU IN OR OUT?**

How would you like to visit HAWAII?

ANSWER: Love To, But Can't Afford It!

REPLY: BUT, WHAT IF YOU COULD?

Before you write this off as some kind of **SCAM** and you **LOSE OUT ON OVER \$3,000** in Special Limited Bonuses I am offering ... **INVEST the time required to DEVOUR this REPORT.** There is a lot of **TIME-SENSITIVE INFORMATION** to cover. If you can't afford to invest the time necessary to read this report ... **LEAVE NOW!**

Because of the Pandemic ... most of us are worried about our financial future. What started out as a **"MINI-VACATION FROM WORK AND SCHOOL** quickly turned into the **WORST NIGHTMARE FOR OVER 20 MILLION AMERICANS!** (including myself and family)

During the last few years, people have come to realize that having a **Plan "B" is NO LONGER A WISHFUL DREAM OR A LUXURY** ... and with the economic crisis we are facing and the Pandemic we recently suffered, many people realize having **Multiple Streams Of Income and Working From Home** has become a **NECESSITY TO OUR SURVIVAL!**

SINCE I ALREADY LIVE IN PARADISE ... ON THE ISLAND OF MAUI ... I thought I would Start A Challenge so, that if you were **"SERIOUS" about changing your Financial Situation in 2025 and Beyond ... you would want to participate in!**

We will get through this and move on. **WE ALWAYS DO!** But why **END UP IN THE ... POOR HOUSE?** You can either be ... **FINANCIALLY SECURE** during this crisis or you could end up **BROKE OR worse ... HOMELESS!** Basically, if you are willing to follow instructions and just **"SHARE"** this simple and affordable system with others, I will show you how to afford a trip to **"HAWAII"** from the New Income you have earned from this program and **SET-YOU-UP-FOR-LIFE FINANCIALLY!**

My original goal for 2025 was to Help 100 People To Become ... **THOUSANDAIRES** by the end of the year! However, because of the economy and the crisis we've just lived thru and the new potential of it happening all over again, I have decided to **HELP** as many American Families as possible in 2025 and beyond.

**Who wants to be a
THOUSANDAIRE?**

#1 QUESTION IS ... WHY CAN'T I DO IT BY MYSELF ?

THAT'S YOUR CHOICE.

Here's how I built my business to the \$12,000 Level before I designed this Report!
(and so can you, if you prefer to work HARD and not SMART)

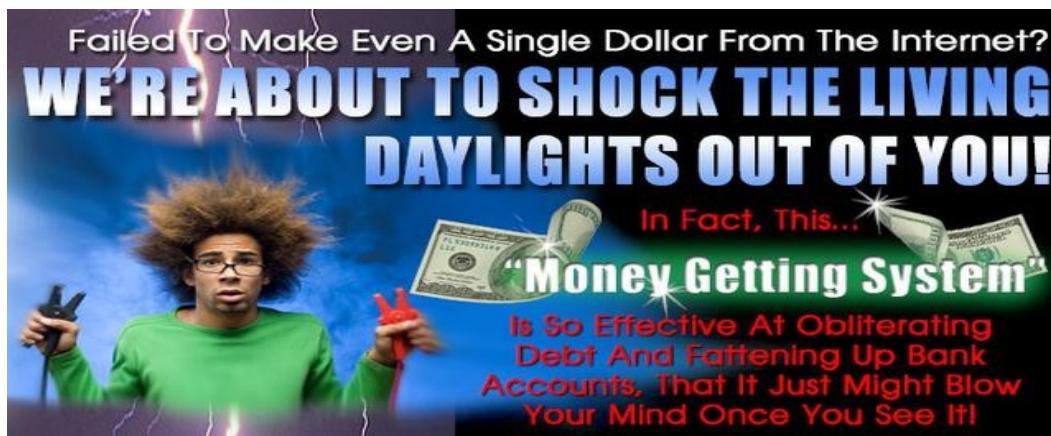

NOW I REALIZE THAT YOU ARE BOMBARDED BY NEW PROGRAMS AND SYSTEMS EVERYDAY IN YOUR DAILY MAIL, (both postal and email) AND THERE ARE NEW PROGRAMS COMING OUT EVERYDAY MAKING IT VERY CONFUSING FOR THE NEWBIE TO MAKE A DECISION. And over 97% of these so called "MIRACLE SYSTEMS" FAIL because THEY ARE HERE TODAY AND GONE TOMORROW!

TCS has been going strong for over 20 years and is currently available in over 180 countries as a mail order program. (that's why I selected them for this Report)

When I first JOINED, I did what everyone else was doing and used the company's marketing materials (capture and optin pages) I was getting less than a 1% response so I decided to BRAND myself and designed my own Capture Pages. (so I didn't look like everyone else) My response rate went up to about 3%. That's when I decided to design my own postcard (it got everyone's attention) and my response reached about 5% while my mailing and cost for stamps was cut in half!

It wasn't until I added my Special Bonuses and Special Pricing that things started turning my way. I had about a 7% response to my mailings. (but the mailings were still so DAMN expensive)

MY ORIGINAL MARKETING CONSISTED OF SENDING THIS POSTCARD which ... sent interested people to my own web page 24/7/365 that gave a brief description of the program and then they could request a follow-up phone call to ask questions.

I soon realized that I was spending every minute on the phone, both day and night and it was destroying my quality time with my family. Living on Maui (and with the time difference alone) I was receiving calls late at night and early mornings from all over the WORLD, (remember this a worldwide program) destroying my families sleep pattern explaining the exact same thing over and over! (just to different people) burning up not only my phone but, me as well!

So, I designed this Report to ELIMINATE all the CURIOUS AND LOOKIE-LOU'S and do all the SELLING, TELLING AND EXPLAINING FOR ME (and my team)) And used this add to get people to request my Report! (and so can you)

Anyone who responded was sent to my company website to become an ACTIVE Member. Over 95% NEVER followed through. Only the SERIOUS 1-5% “ TOOK ACTION” The next step was to pay Admin and decide what Level to start at and pay their Sponsor. Over 80% (of the 5% remaining)) joined at the \$3,500 Level for several reasons. The HIGHER you join, the LESS you would pay in UPGRADES And PASS UPS. (saving them thousands of dollars in upfront cost) Once the Sponsor received their payment, they would notify Admin and their member site would then be unlocked and activated (at the Level selected) and they could go out and start marketing their program to others. (by using the companies marketing materials or their own)

When someone joined, their first person would be PASSED UP to their Sponsor allowing that member to BREAK AWAY from their Sponsor and start their own WEALTH-LINE. The PASSED UP Member would then REPLACE the member that had just BROKEN AWAY! The only way the PASSED UP member could BREAK AWAY was to do the same and PASS UP their first person! Creating a Wealth Line that pays you for doing NOTHING, and REPLACES that person when they BREAK AWAY. So, you can see that by passing up that one member, you just started a WEALTH-LINE (of 1UPS) that will continue to GROW and GROW! (without your help even if you stop)

Then they would just RINSE AND REPEAT until they found their 2nd member which they would keep and be GUARANTEED to receive 100% COMMISSIONS! (which is unheard of in this industry)

The reason I took the time to describe the procedure is because unless you complete some simple task before your 365 days have expired, you will need to go back to this procedure if you wish to continue GROWING YOUR TCS BUSINESS! (explained later in detail) once your 365 days have expired!

This Marketing System (pdf report) you are reviewing today I started designing after my wife passed away and I was living out of my van after COVID shutdown my private tour business. This Report has gone thru several UPGRADES and a COMPLETE OVERHAUL in the past few years. I continued redesigning it adding different fonts, sizes and colors, more pictures and illustrations and then broke it down into 2 separate STAGES!

I also had the Report only good for one fiscal year. Which made it a race in time to earn any Bonuses! (especially if you joined mid year or the last quarter of the year) So. It was changed to 365 days to make it fair for everyone!

This New Report and Bonuses officially launched on July 1, 2025. So, you all have the same opportunity to reach the Bonuses before your time runs out! In addition if you can't start in the beginning by joining THE CASH SECRET (and have to wait until you have earn enough profits to join) your 365 days won't start until you actually become an "ACTIVE PAID MEMBER" of TCS!

The SPECIAL LIMITED BONUSES I am offering are being funded by my company THE ECONOMY CONNECTION (TEC) and not the member. (but only for a limited time) These BONUSES were designed as INCENTIVES for my tour company and start off SMALL and then continue to GROW in VALUE! The more you do to GROW YOUR TEAM in 2025 and beyond, and the more that you accomplish in your 365 day period will determine the value of the BONUSES being offered. (up to \$3,000 value)

The SPECIAL PRICING OPTIONS I designed so that anyone, no matter of their current FINANCIAL condition could afford to join! (even if they had to join a secondary program for starters) However, since I'm looking for "ACTION TAKERS" the pricing options will have a strict TIME PERIOD attached to them also!

So, you could say that all of you are my "GUINEA PIGS" and your reaction to this System (this pdf report) the SPECIAL LIMITED BONUSES AND THE SPECIAL PRICING will determine if this will still be offered in 2026 and beyond.

The WORSE CASE SCENARIO - if this only last thru 2025 (my company decides not to continue FUNDING or my members refuse to reimburse me) how would that affect anyone who JOINS MY TEAM in 2025?

Actually, the only way it would have any affect is that you would have to return to marketing using the old system in 2026. (company materials) But, the UPSIDE is that everyone who JOINS you will have to pay you the FULL PRICE (no more special pricing) so, you would earn more money with each new member. And because most people would be starting at the lowest level and building from profits, you could also receive over \$20,000 in UPSALES and UPGRADES (per member who start at \$500 and builds to \$20,000 one Level at a time) Which is about the amount it would cost an average person who decides to build this business from scratch Level by Level! It's the same thing you would do if your Report expires and you want to continue GROWING YOUR TEAM!

So, even if you FAILED 95% of the time, you could still EARN MORE IN ONE DAY ... than you do in a FULL YEAR AT YOUR JOB!

It just amazes me how people will say **THEY WILL DO ANYTHING, BUT HAVE NO INTEREST**" in doing the "**4 CRITICAL THINGS**" required to be successful today...

READ, LEARN, GET INFORMED ... AND TAKE ACTION!

Until you do those 4 things, you are basically just ...

PART PUPPET – PART ROBOT – PART SLAVE!

IF YOU ARE SATISFIED WITH THAT TYPE OF LIFESTYLE ...

STOP READING!!!

YOU ARE PART PUPPET - because every move you make is determine by someone other than you!

YOU ARE PART ROBOT - because you do the same thing every-day which has to be boring as Hell after a few years ... let alone ... 20, 30 or 40 years!

YOU ARE PART SLAVE - because you trade your time for a certain amount of money ... **WHILE BUILDING SOMEONE ELSE'S DREAMS.** (and not your own)

And you still have to answer to a **BOSS** who tells you how much you are worth, what your hours are, when to come to work, when to leave, when you can take a break, (and for how long) and when you can take a vacation. (and probably when to take a crap)

Not to mention dealing with rush hour traffic, job stress, worrying about being downsized or losing your job while you watch your health benefits and pension plans being reduced.

You go thru this for 40 years ... **YOU GOT TO BE JOKING!**

It's really sad how people are willing to kill themselves over their jobs! (but won't make the same effort to create financial freedom for themselves)

That's not a life ... **IT'S ONLY AN EXISTENCE!**

Let me hit you with a doze of reality. When you retire, (if you can afford too) most people haven't saved enough (and Social Security won't pay enough) so, you'll have plenty of time to work for minimum wage (like most retirees do just to make ends meet in this economy)

I know what you're thinking – **THAT WILL NEVER HAPPEN TO ME! REALLY, THAT'S WHAT EVERYONE SAYS!** (until it's too late and they have no **OPTION** other than to say "**Welcome to Walmart**" or "**Would You Like Fries With That?**"

BUT, FIRST YOU NEED TO ...

BUILD A "PIPELINE" TO WEALTH!

If you haven't read much by Robert Kiyosaki. You might not know what it means:

Many of us rely on pay checks and are therefore employees, while others are self-employed. My Rich Dad told me a simple story when I was 12 years old that has guided me to great wealth and financial freedom.

It goes: "Once upon a time there was this quaint little village. It was a great place to live except for one problem. The village had no water unless there was rain. To solve this problem once and for all, the village elders decided to put out a bid to have water delivered to the village on a daily basis.

Two people volunteered to take on the task and the elders decided to award the contract to both of them. They felt that a little competition would keep prices low and ensure a back-up supply of water.

Self Employed Thinker Ed, (you doing this program on your own using company materials) immediately ran out, bought two galvanized steel buckets and began running back and forth along the trail to the lake which was a mile away. He immediately began making money as he labored every morning til dusk hauling water from the lake with his two buckets. He would empty them into the large concrete holding tank the village had built. (you doing this program with no automation) Each morning he had to get up before the rest of the village awoke to make sure there was enough water for the village when it wanted it. It was hard work, but he was very happy to be making money and for having one of the two exclusive contracts for this business.

Business Owner Thinker Bill, (this is you using automation and building a team) disappeared for a while. He was not seen for months, which made Ed very happy since he had no competition. Ed was making all the money.

"Instead of buying two buckets to compete with Ed, Bill had written a business plan, created a corporation, found four investors, employed a president to do the work and returned six months later with a construction crew and a plan. (your report)

Within a year his team had built a large volume stainless steel pipeline which connected the village to the lake. At the grand opening celebration, Bill announced that his water was cleaner than Ed's water.

Bill knew that there had been complaints about dirt in Ed's water. Bill also announced that he could supply the village with water 24 hours a day, 7 days a week. (you using automation and building Wealth-Lines) Ed could only deliver water on the weekdays -- he did not work on weekends. (you doing everything)

Then Bill announced that he would charge 75% less than Ed did for this higher quality and more reliable source of water. The village cheered and ran for the faucet at the end of Bill's pipeline. (this is you offering special pricing options)

In order to compete, Ed immediately lowered his rates by 75%, bought two more buckets, added covers to his buckets and began hauling four buckets each trip. (this is you offering special pricing, but still doing the work yourself) In order to provide better service, he hired his two sons to give him a hand for the night shift and on weekends. (you trying to build a team)

When his boys went off to college, he said to them, "Hurry back because someday this business will belong to you." For some reason, his two sons never returned. Eventually Ed had employees and union problems. The union was demanding higher wages, better benefits and only wanted its members to haul one bucket at a time. (you without automation)

"Bill, on the other hand, realized that if this village needed water then other villages must need water too. (you **"SHARING" your Report with others) He rewrote his business plan and went off to sell his high speed, high volume, and low cost and clean water delivery system to villages throughout the world (this is you using automation and building a team)**

He only makes a penny per bucket of water delivered, but he delivers billions of buckets of water, and all that money pours into his bank account. (this is you **"SHARING" your Report) Bill had developed a pipeline to deliver money to himself as well as water to the villages. (this is you building multiple Wealth-Lines) Bill lived happily ever after and Ed worked hard for the rest of his life and had financial problems forever after.**

That story about Bill and Ed has guided me for years. It has assisted me in my life's decision making process and convinced me to redesign this program to HELP all Americans during this crisis. So, ask yourself, "Are you building a pipeline or hauling buckets?" Are you working HARD or are you working SMART? And the answer to those questions along with **"SHARING" this Report have made me **WAKE MY A\$\$ UP!** And it can do the same for you if ...**

STILL WITH US? THEN LET'S CONTINUE ...

Because TCS is STRICTLY an All Cash Business and because of the potential possible earnings you could receive, it's entirely up to you if you want to pay taxes on your earnings. NO ONE WILL SEND a 1099 at the end of the year!

This is what my Tax Lawyer and Accountant told me... (the tax will vary depending on your circumstances) If you earn \$100,000 and you pay let's say 30% in taxes, you still have 70% that you can do whatever you want with! Without having to worry about MEN IN BLACK SUITS knocking at your door! And that is income you would NEVER HAVE HAD if you hadn't JOINED THIS PROGRAM IN THE FIRST PLACE! (I'm not a tax consultant or a lawyer) You should seek your own EXPERT ADVISE regarding that matter on your own.

If you plan on JOINING US, (and building TCS), I recommend that all my members invest in one of these down the road.

Since THE CASH SECRET is strictly an all cash business and that you are paid peer to peer and your Sponsor determines how they prefer to receive all of their payments from Cash, Money Order, Cashiers Check, Bank Draft, Paypal, Cash App etc ... It does not really make a big difference when you are dealing with the lower amounts like ... \$500 (unless you start receiving several of them on a regular basis) then it might set off a RED FLAG at your financial institution if YOU were to make a LARGE deposit at one time or receive a LARGE deposit frequently.

The other 3 programs you will receive payment in several different ways (mostly some form of instant financial transaction) but rarely in CASH! So, there will be financial prove of income for tax purposes.

With TCS we recommend CASH TO YOUR DOOR! that is your decision!

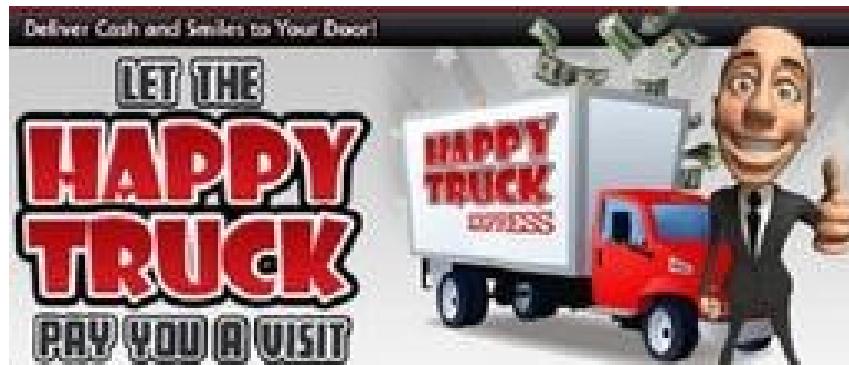

However, The feeling you get inside the very first time that truck arrives in your driveway and that driver walks up your walk and knocks on your door and hands you some envelopes is just ...

FREAKIN AWESOME!

**IT'S WHAT MY TEAM CALLS
"THE HAPPY TRUCKS"**

**BECAUSE WE ARE SURE HAPPY
WHEN THEY ARRIVE !!!**

Go from this to this!

**RAGS

RICHES**

THIS REPORT IS YOUR BETTER MOUSETRAP!

It's this PDF REPORT that does 97% of the HARD WORK ,
while you work S-M-A-R-T!

And that's what I'm offering you ... A BETTER MOUSETRAP!

(Inside the report, we reveal the exact **WHAT TO DO** as well as **HOW TO DO IT** details!)

No more guesswork...Yippee!

Discover what others have already known secretly for months...

The problem is that circumstances don't normally change until the people in the circumstances change. The information in these next few pages has drastically changed my life and can do the same for you, if you just ...

TAKE ACTION!

You probably grew up thinking there are a lot of differences between **the Rich, the Poor and the Middle Class**. What if I told you that there was only one thing that the Rich do, that the other two don't, that makes all the difference. That's why the poor get poorer and the middle class are getting squeezed out entirely!

THE RICH INVEST IN ASSETS ... LIKE RENTAL PROPERTIES! THE POOR BUY THINGS ON CREDIT ... STAYING IN DEBT!

To understand this completely without going into a long and drawn out explanation, just remember **Robert Kiyosaki's** definition of ... **Assets and Liabilities...**

An ASSET is something you BUY... that Makes You Money
A LIABILITY is something you BUY... that Cost You Money

EXAMPLE ... If you purchase a home to live in, that's a Liability. But if you purchase a home and rent it out and make money, that's an Asset. Every time you add another home and rent it out, you have created Multiple Streams Of Income.

One of the Richest Men and Investors in the world today is Warren Buffett. One of the ways he made his fortune was with rental real estate. But, did you know he started out by purchasing **Pin Ball Machines?** He would place them in different locations and then take the profits earned to purchase more machines and put them in more locations and use those profits to invest in other ventures ... **LOOK WHERE HE IS TODAY!**

If you have the funds available and the credit required, start building your portfolio of real estate investments now. **If you aren't liquid enough, then see how this "FREE" REPORT can become Your Very Own Pinball Machine and HELP YOU BUILD A FORTUNE To Use For INVESTING in real estate and other ventures!**

HOW MUCH MONEY DO YOU REALLY NEED TO RETIRE?

MONEY?

NOT THAT MUCH ... BUT, STILL MORE THAN YOU THINK!

\$1.7 million? That's how much Americans **believe** they should save in order to retire, according to a Schwab survey of 1,000 401(k) plan participants between the ages of 25 and 70. **Unfortunately, few are likely to attain that goal.**

- 1. 57% of Americans between 45-70 have virtually no retirement savings!**
- 2. They would need \$1.7 million to create a \$35,000 per year income during retirement!**
- 3. At 10% per year, that's only about \$1,300 per month for the next 20 years!**

If you can survive on \$1,300 a month ...LEAVE NOW! I know that I can't even survive on \$1,300 today, let alone in the future! **So, let's be realistic and really BREAK DOWN YOUR RETIREMENT NEEDS!** So, you are not left wondering **WHAT HAPPENED!**

REALISTICALLY, You'll probably need close to **\$4 million saved up**, (invested wisely) according to a pair of recent studies. This amount will depend on what you plan to do with you time when you retire (travel etc ...) and at what age you actually decide to retire.

\$2 million by age 60

\$3 million by age 50

\$4 million by age 40

If you don't have that much saved up, you're not alone.

WHAT OTHERS REASON WOULD YOU NEED MONEY?

Maybe, you need a **FUND** just to replenish everything you have **LOST** living thru the worst crisis in history since the “**SPANISH FLU**”! Or **LIQUIDITY** for any COVID coming our way. **EMERGENCY FUND** that you can **FALLBACK** on and that you can reach **IMMEDIATELY!** **Maybe, you just want** “**TO FIRE YOUR BOSS**” or **become the CEO of your own life!** Whatever your reasoning, it all comes down to the same thing ...

“PEOPLE JUST NEED MORE MONEY”!

After reviewing this information if you don't see a **NEED FOR HELP** ...
PLEASE LEAVE!

If you still **NEED HELP** and you can ...**“FIND”**
(40) PEOPLE and then **“SHARE”** this **REPORT**
with others, who just do the same thing ...

YOU CAN HAVE ANYTHING YOU WANT IN LIFE!

You never know what the future holds these days. So you must take control of your future! Don't let your future “whatever” control you! I hate to tell you, this may be the New Normal for many years to come. And it can get even worst any minute now. You know that this is true because you see it playing out in real time every day in the news with this economy and any Pandemic on the horizon we may be facing.

By taking your retirement into your own hands, you will surely avoid the disappointment and shock that awaits the majority of the population in the near future.

As I mentioned earlier all Special Bonuses and Pricing can be AWARDED to your TEAM as long as you AGREE to the following reimbursements to the MONITOR.

Anyone in business today has Business Expenses in order to GROW! These are known as the Picks And Shovels of doing business! In order to offer this Marketing System which includes the Special Bonuses and Special Limited Pricing you must AGREE to the following conditions ...

The Hotel Savings Card will be handled by us exclusively. There is NO CHARGE to you and will be offered to anyone who reviews this Report! (even if they don't JOIN)

In order for someone to receive the Card they had to review the entire report and The (4) programs we are offering. That has recently been changed. I will now offer two different cash amounts. (depending on the actions you choose to take)

If you review this report and decide NOT TO JOIN US, I will AWARD you a \$100 Card. And if you decide to JOIN US, I will AWARD you with a \$300 CARD instead.

The \$100 Dine Out Card has a \$10 surcharge in order to activate. You AGREE to pay \$10 every time you AWARD one of them to one of your team members

The Mini-Vacation (valued at \$1600 to \$3000) You AGREE to pay \$100 everytime You AWARD one of them to one of your team members.

KEEP THIS IN MIND ...

\$100 Dine Out Card is only AWARDED if your team member makes their first sale in their first 30 days of receiving their encoded Report. Since the lowest level of commission you could EARN is \$500, you should be able to afford the \$10 surcharge.

\$1600 Mini-Vacation to Las Vegas is only AWARDED if your team member makes 10 or more sales in 365 days. Since the lowest commission is \$500, you would still earn A MINIMUM OF \$1000 for that \$100 AWARD. Not to mention 10 Wealth Lines of Unlimited 1UPS!

\$3000 Mini-Vacation to Hawaii is only AWARDED if your team member makes 30 sales in 90 days. Since the lowest commission is \$500, you would earn A MINIMUM \$1000 for that \$100 AWARD. Not to mention 30 Wealth Lines of Unlimited 1 UPS!

If you can't AGREE to those terms then you could still JOIN US and do your own marketing or LEAVE!

HOW WILL THIS BE MONITORED?

Since there is NO WAY that we can monitor everyone other than our own Wealth Lines. We will be using the Honor System.

Every team member that JOINS US will be given 1 Communication Platform as part of their Marketing System.

This Platform will be used to communicate with the Monitor.
(you can email your members in your company back office)

HOW IT WORKS ...

If we receive a message from someone stating they QUALIFIED for a Bonus and never received it, we will do some research and if it is a valid claim, we will AWARD their Bonus ourselves.

We will then contact their Sponsor (you) and give you 3 days to reimburse us for the AWARD. If we haven't received payment in that period of time your Report will be taken down from our server until payment is received (which means you can't offer anyone the Bonuses or Special Pricing)

3 STRIKE RULE

We realize that mistakes can happen in any business and we believe in giving every one a fair chance to rectify any mistakes that may occur while doing business.

However, if we receive 3 or more complaints about any member and it turns out to be valid, That member will be TERMINATED immediately.

HOWEVER ... That doesn't mean that they are TERMINATED from the program.

You don't lose your team or their GROWTH. That is yours FOREVER. (including all the 1UPS you may have accumulated or will in the further)

It SIMPLY means that you will NO LONGER have access to your Report or any of the Bonuses or Special Pricing we offer and will have to find another way to market "THE CASH SECRET" to others.

We HOPE that NEVER happens!

Remember I told you earlier in this report that there were two kinds of people in the world. The first person, we will call them **LOOKIE-LOU'S**. They came for their **FREE GIFT!** You however are from the second group, **THE SERIOUS 1-5%**, because you are still reading.

Think of this program as A STEPPING STONE TO WEALTH! It's AFFORDABLE TO ANYONE AND PRODUCES RESULTS!

You could use it to take care of all your immediate financial needs (RENT, MORTGAGE, GAS, CABLE, CELL, GROCERIES AND, MONTHLY BILLS) FOR STARTERS. AND IF THAT TAKES CARE OF YOU FINANCIALLY ... STOP THERE! (or rinse and repeat)

Because of the **SMALL (one-time) **INVESTMENT** required to start, it could take longer for your income to **GROW!** But, at the same time, if you **DO THE 3 STEPS AND GET "40" PAID MEMBERS**, and they do the same, **YOU** will have a continuous flow of income arriving to your door or bank account ... in about 90 to 120 days!**

In order for you to become a **PART OF THE 1-5% **YOU DON'T NEED ...****

YOU JUST NEED TO EARN \$ 125,000 A YEAR! The program that is being offered to you today ... **CAN MAKE THAT GOAL A REALITY!** (even if you FAIL 95% of the time)

**Will YOU Build a Network
OR Will YOU Look for Work?**

Residual Income

Pays You... over and over again!

Although the money you can **EARN** with TCS is **AMAZING** (especially at the higher levels) **It's NOT A GUARANTEED MONTHLY INCOME!** (no way to build a nest-egg)

A lot of Americans have asked me if I know of such a program that is **NOT** only **AFFORDABLE** but provides a **RESIDUAL INCOME** that **GROWS** and **GROWS** **MONTHLY!** **You do the work one time, but get PAID EVERY MONTH!**

Introducing... **98 Unlimited**

As you continue to **“SHARE”** this program with others and build your team, **you are actually GUARANTEED income arriving every month.** (from work you did just once)

It does not make a difference if you have 1 or 1,000 new members (I don't share in your earnings) **It's all 100% yours** (as long as you remain active)

You Don't Have To Be Great To START – But You Have To START To Be Great!

Option 3. “Mentor” Challenge ...

This is my own personal challenge and it was designed so you could GROW YOUR 98U Team at your own pace (in 365 days) and still receive awards as you build your team!

Take our 30 Day Trial. Pay a (one-time) Admin Fee and then pay your sponsor \$98. This will give you access to the back office where you can start the engine and kick the tires (for 30 days)

NEXT ... Start “SHARING” your “encoded” report with others to get your first member.

Here is what will happen, the first member will reimburse you for your \$98 monthly payment to your Sponsor and You Break-Even. No more **Out-Of-Pocket Cost! And I will award you with a “FREE” Level 1 (\$500) position in TCS... if you can get your first member in the first 30 days!**

The second member to infinity is **PURE PROFIT paying you \$98 each month. (it's like getting a \$1,200 yearly raise with each new member who joins you) **Get 13 more members before your time expires** (for a total of 14) **and not only will you earn over \$100,000 yearly but, I will Upgrade you to Level 2 (\$2,000) in TCS!****

Let the Monitor know you want to choose Option 4 and send the link you received for joining 98U through your communication Platform with the Program you have chosen and they will send you more information.

OPTION 5 JOIN 98UNLIMITED/LET'S MULTIPLY – This is for the person who wants to join 98U or Let's Multiply. (not both) **Send your Sponsor payment for one of these programs \$30 for Let's Multiply or \$39.95 (one-time) for 98U for admin and \$98 to your Sponsor.**

Let the Monitor know you have chosen Option 5 and send the link you received for joining one of those programs to their ... communication Platform and when you finally join TCS, you will automatically receive an additional 365 days added to your program! (so you will still have 365 days to earn as many Bonuses as possible)

\$10 CLUB – Has NOT been added to the Options available and NO Special Pricing can be offered. You will want to join this program on your own. (so you don't leave any money on the table if someone else joins it from your encoded Report)

Send the monitor a request for more information and a link to join the \$10 Club.

REMEMBER: All Reports that you “SHARE” with others will offer all (4) Programs and your Report will either be encoded with your links or someone else's.

By choosing either **Option 1-5** - you have proved to me that you are **SERIOUS! Therefore, I will do the following for you ...**

I will Help you get EYEBALLS to your offer!

I will place your report link in my company rotator that averages over 100,000 exposures each month at **NO CHARGE** to you for 90 days (\$300 a month value) After that it's only **\$100 a month**. (but not required to use) **Send the monitor your link for your Report. Or a website or Capture Page** (if you branded yourself)
